

SOUTH COAST ENERGY FAIR AND WIND ENERGY FORUM
May 22, 2004
Port Orford Community Center

Goals

Present information on wind energy to help people better evaluate the pros and cons of developing wind energy in south coast area and to provide information on energy conservation and alternative energy.

NOTE: The purpose of this meeting is to present information. The meeting is not designed for debate, public input, or decision making about a specific development or ongoing project.

Co-Sponsored by:
Curry County Board of Commissioners &
Southwest Oregon Resource Conservation & Development Council

- 9:00 **Welcome**
Terry Hanscam, Chair Coos-Curry Electric Cooperative
- 9:15 **The Northwest Energy Picture**. Regional view of energy generation. How renewables are evaluated and how other global and environmental issues are considered.
Angus Duncan, President, Bonneville Environmental Foundation
- 9:45 **Oregon Land Use Laws and one county's perspective on wind energy development**. How the land use planning process views wind energy development on rural lands.
Judge Mike McArthur, Sherman County
- 10:15 BREAK
- 10:45 **Modern Wind Energy**. Update on the technology of wind energy today. Current industry norms and standards.
Carel DeWinkel, Oregon Department of Energy, Senior Policy Analyst
- 11:15 **From Wind to Wind Energy**. The process a developer follows to develop a wind energy project from A to Z. Site evaluation, permitting, etc.
Paul Woodin, Western Wind Power, LLC
- 11:45 **Wildlife and Wind**. How impacts on birds and other wildlife are evaluated and predicted. Opportunities to minimize and mitigate impacts to wildlife.
*Karen Kronner, Northwest Wildlife Consultants, Inc. ***Invited****
Ann Vileisis, Conservation Director, Kalmiopsis Audubon Society

EXHIBITS

The American Legion Hall will be open from 8:30 a.m. to 1:30 p.m. for exhibitors and information tables related to wind, energy conservation, and alternative energy.

SPEAKERS

<p>Angus Duncan 503-248-1905 angusduncan@b-e-f.org</p>	<p>President, Bonneville Environmental Foundation Angus Duncan has served as President and CEO of the Bonneville Environmental Foundation since its formation in 1998. In 1995 Mr. Duncan founded and was President of the Columbia/Pacific Institute at Portland State University, where he is an Adjunct Associate Professor. Mr. Duncan represented three Oregon governors on the Northwest Power Planning Council 1989-1995, and as Council Chairman (1994-95). Previously he served as Director of Energy Policy, US Department of Transportation. Mr. Duncan has thirty years experience in regional and national energy and environmental affairs, including private and governmental.</p>
<p>Judge Mike McArthur 541-565-3416 ext. 3606 scjudge@sherman.k12.or.us</p>	<p>Sherman County [Commissioner]</p>
<p>Carel DeWinkel 625 Marion St NE, Suite 1 Salem, OR 97301-6099 503-378-6099 carel.dewinkel@state.or.us</p>	<p>Oregon Department of Energy, Senior Policy Analyst</p>
<p>Paul Woodin 509-261-0219 pwoodin@gorge.net</p>	<p>Western Wind Power, LLC</p>
<p>Karen Kronner 815 NW 4th St Pendleton, OR 97801 541-278-2987 nwcinc@oregontrail.net</p>	<p>Northwest Wildlife Consultants, Inc. (NWC) Karen Kronner has served as president of NWC since 1992 after 20+ years of wildlife-related work with federal agencies including Bureau of Land Management, Corps of Engineers, US Forest Service, US Fish and Wildlife, and National Park Service. NWC developed and implemented baseline ecological studies and operational monitoring studies for assessing impacts on biological resources for natural gas and wind facilities ranging in size from 2 megawatts to 1200 mega watts.</p>
<p>Ann Vileisis 541-332-0261 PO Box 1286 Port Orford, OR 97465 anvil@harborside.com</p>	<p>Conservation Director, Kalmiopsis Audubon Society</p>
